EXPERIENCE

Iron Mountain, East Side Chicago — *Computer Hardware Technician*

September 2024 - PRESENT

Worked with various different makes and models of computers including desktops, laptops, and learned a lot about computer hardware.

Learned how to properly handle customer data by removing/wiping all storage devices.

Helped develop a more efficient method for our tech auditing process.

Amazon, Markham IL — *Area Manager (Ship Dock)*

July 2023 - April 2024

Lead a team of over 100 associates.

Voted in as the most inclusive manager of our building.

Developed good relationships with our associates and ensured they were following proper safety standards/staying on task.

Umbrella, Chicago — *Landscaping*

June 2019 - August 2022

Worked outside during the blazing hot Chicago summers and learned the true meaning of hard work.

Worked with various different tools/machinery to complete a variety of different jobs across the Chicagoland Area.

Gained experience in building decks, painting, paving, general landscaping.

EDUCATION

Coe College, Cedar Rapids — *Computer Science*

August 2019- May 2023

College was a pretty odd time for me thanks to the pandemic and my school also getting hit by a derecho (land hurricane) but I definitely still learned a lot about computers, the world, and math!

Below you can find an example of one of the programs I worked on during my time at Coe, thanks for taking the time to look at my resume.
